More Dogs are Found Wandering Loose on July 4th Than Any Other Day of the Year in the U.S. Here are some Tips for Providing a Safe July 4th for Your Canine Household:

1. Make sure your dog gets plenty of exercise earlier in the day.
2. Keep your dog inside during fireworks, Bringing your dog to fireworks display is never a good idea.
3. Make sure all your dogs are wearing ID tags with a properly fitting collar. Dogs have been known to become Houdini around the 4th of July.

4. Give your dog something fun to do – like a frozen Kong filled with his favorite treats.

5. Specialty body wraps: The patented design uses acupressure and/or gentle constant pressure to reduce stress.

6. Bring your Dog to Denver Canine Club. They can swim & celebrate with their fur friends all day, and sleep in a cozy Club Room or Cottage from happy exhaustion while you celebrate at the fireworks displays!

## TWO YEAR MILESTONE ANNIVERSARY

We want to Congratulate Sandra Bowden-Esposito & Jessi Osburn. They are Celebrating their Two Year Anniversary Milestone with Denver Canine Club. They have been with us since the beginning, and it is because of caring, loving, educated, hard-working staff like Sandy & Jessi, that we are growing by leaps and bounds. Sandy is our Yard Supervisor, and knows every dog by name, what other dogs they like to play with, and some they don't, who gets to swim, and who need "time outs". She is often referred to as the DCC "dog whisperer". Jessi wears many hats. Outside she is a Caddie. Inside she is Shift Lead or Rover, making sure our guests are comfortable, fed well, bathed and loved.

She orchestrates the rest of the team on what to do. We are fortunate to have her help lead our Team!

**Thank you Sandy and Jessi for ALL YOU DO!**

*Congratulations!*

## DENVER CANINE CLUB TURNS 2

Thanks to Sweetpea, Bob and Pat, DCC has the ultimate Dog Care Facility right here in Denver, NC. Sweetpea wasn't happy with the care that she was offered at other places. Bob and Pat put together an extensive plan that came to Fruition on July 2, 2015! Over 13,000 Square feet of Boarding and Dog Play Yards, sitting on 3 acres with room to grow; Denver Canine Club offers more luxuries than others, at no additional charge.

We have a staff of 40+ to take care of your Canine family.

We are celebrating our TWO YEAR Anniversary, and ask that you please join us by posting your reviews to our Facebook page. Without Wonderful Customers like you, none of this would be possible!

Thank You!

## Jessica Thibault Our Spotlight Caddie for July

We know her as "Jessie T" and she is a very special member of the DCC Team. Jessie loves all animals, but her favorite would be horses. Jessie wants to continue her education to focus on a career in Veterinary Medicine. She is wonderful with the care your dogs receive here at the club.

Jessie will make an excellent Vet. She was originally from Massachusetts, and she has a deep love for her family. Jessie looks forward to returning to Massachussettes some day. (but we hope it is no time soon!)

# TAG & TILLEY

English Cockers are a medium-size dog breed with long ears and a happy disposition. The name Cocker comes from their use to hunt woodcock in England. They make great companion dogs for people who can give them the exercise they need. In addition, they don't shed!

Tag (6yrs) and Tilley (3yrs) have 10 acres to play in and often get long walks. They love to chase squirrels and

explore. Tilley is dominate and pretty much rules the house. Tag is more of a Momma's boy☺ Tag and Tilley have used several boarding facilities from Denver to Charlotte and Denver Canine Club is their favorite. Dad says after a Day at DCC Tag and Tilley come home happy and tired. Tag and Tilley express their thanks to our Great Team with lots of cuddles and kisses. DCC wants to thank Mom and Dad for letting Tag and Tilley be a part of our family!
